

## Corriplast Layer Pads

Manufactured using high performance Conductive Corriplast material, layer pads are suitable to use with any ESD sensitive products.

Stocked at Antistat Conductive in 2 sizes, Corriplast layer pads are the perfect fit for Corstat Stackable Totes and add extra levels of ESD protection. Besides this, we can manufacture layer pads in either Corriplast or Corstat material to your specific size and / or specification.

### Features:

- Excellent ESD protection
- Available in Standard sizes
- Can be created to specific dimensions
- Perfect for any rigid separation requirement
- Flexible, durable and hard-wearing
- Corriplast material ensures high performance
- Available on short lead times

### Benefits:

Manufactured from the high performance Conductive Corriplast material, these conductive Corriplast layer pads offer a flexible and competitive answer to rigid layer separation requirements.

The use of the innovative Corriplast material also ensures a wealth of benefits over standard layer pads.

Completely ESD safe, these layer pads are available in 2 stock sizes that are a perfect fit for the Corstat Stackable Totes.

# Corriplast Layer Pads

## Technical Specifications and Features:

Performance data for Corriplast Material:

### Electrical:

- Conductive Corriplast is a type of Corrugated Plastic Board based on Polypropylene / Ethylene copolymers
- Corriplast is volume conductive, surface resistivity is less than  $10^5$  Ohms squared (Method 5.0 KV charge for 5 minutes at 40 RH = V)
- Units seconds V = 1/10 V=0
- Conductive Black 0.27 0.53

### Chemical:

- Conductive Corriplast is chemically unreactive and is generally regarded as being biologically inert.
- There is no release of any noxious fumes from ambient temperatures.
- Although Conductive Corriplast is inert and can be regarded as harmless, certain boards do contain additives which could be harmful and any ingestion should be avoided.

Product Code:	Description:	Size (mm)	Additional Notes
026-0457	Corriplast Layer Pads	350 x 250 x 3	Each
026-0479	Corriplast Layer Pads	550 x 350 x 3	Each
